Report on International Yoga Day

21st June 2024

International Yoga day was celebrated by the students and the teachers of Harsh Institute of Nursing Sutala on 21st June 2024 with great enthusiasm. Principal Annie Sinthiya Christy and Assistant Prof. Arun Lokhande also participated in the celebration.

The function began with a brief introduction of Yoga Day by Assistant Prof. Arun Lokhande. A brief introduction of the guests, Smt. Annie Sinthiya Christy, Certified Yoga trainer with Swasthya

Yoga Day is celebrated among the youth and children to make them understand the importance of Yoga in their life. It helps the students understand how to maintain harmony between body and mind. Two lectures organized to explain the importance of Yoga.

Smt. Annie Sinthiya Christy explained the importance of Yoga in the life of youngsters. She explained that regular practice of Yoga will help the students achieve better mental and physical health. Smt. Annie Sinthiya Christy started Yoga demonstrations with the Yoga prayer. After which a few warm up and simple Asanas were performed by the students and the teachers enthusiastically and the importance of these Asanas was explained simultaneously by Smt. Annie Sinthiya Christy.

Smt. Authimoolam spoke about 'The Positive Framework of Meditation'. She began by explaining how negative thoughts disturb a person. Negativity she said increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress. She also spoke about her experience as a counselor where she has patients ranging from the age group 3 years to 90 years. She emphasized the fact that purity of thought increases positivity in a person. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world. She emphasized that it is the responsibility of the teachers to imbibe positive thoughts among students. She conducted a 3 minute meditation session with the students and teachers and professed the regular use of meditation in one's life.

“ANNUAL AWARENESS PROGRAMME REGARDING CODE OF CONDUCT”

Each of the various constituent colleges under the umbrella of CARE include a minimum of two sessions during the orientation program for first year students, geared to make them aware of the existence of the CODE OF CONDUCT in CARE University. The first session covers the general rules governing student attitude and behavior while in CARE campus both as a day scholar and as a resident of the hostels. This session is facilitated by the faculty in charge of hostels as well as by senior faculty of major departments both in the college block and the hospital block. The second session is held under the aegis of the faculties who shall be handling the subjects of the first year in that particular course. This session is geared towards making the students aware of the rules and standards of behavior expected by each department while the student is present in the lecture hall / laboratory / ward / operation theatre / OPD as well as the regulations to be followed during assessments – both formative and summative. This awareness regarding the code of conduct is refreshed and reinforced as and when the students move along to the successive years, as part of the curriculum covered in the first week of each new semester / year / phase. All the newly appointed employees of CARE – both administration staff and faculty – are provided with an employees' handbook and are guided through their various roles and responsibilities as expected by the organization, during their first day of employment. This is refreshed and reinforced through information circulars that are periodically emailed to all employees in an as-and-when-required basis. The staff and faculty are also appraised with regards to the code of conduct of the students as they are the monitoring personnel who direct the attention of the authorities towards any breach in this protocol, if and when it occurs.

HARSH INSTITUTE OF NURSING KHAMGAO

Report on celebration of world cancer day

Date: [04/02/2025]

Venue: Harsh Institute of Nursing

Organized by: [Bsc 1st semester students]

Introduction

The Harsh Institute of Nursing observed World Cancer Day on [04/02/2025] with great enthusiasm and commitment to raising awareness about cancer prevention, early detection, and treatment. The event aimed to educate students, faculty, and the community about the global burden of cancer and the importance of a proactive approach to healthcare.

Event Highlights

1. Inauguration Ceremony

The event commenced with a formal inauguration by [Principal mam], who emphasized the significance of cancer awareness and the role of healthcare professionals in fighting this disease.

2. Guest Lectures and Expert Talks

Renowned oncologists and healthcare professionals delivered insightful lectures on topics such as:

Early detection of cancer, prevention, treatment

3. Poster Presentation & Skit

Students actively participated in a poster-making competition showcasing creative and informative messages about cancer prevention. A skit was also performed by the 1st semester students the skit was amazing it was very understandable for students and the were given message to the students through the skit and slogan was "jan jan ko samjhana hai cancer ko dur bhagana hai" depicting the emotional and physical struggles of cancer patients and highlighting the role of nurses in patient care.

4. Conclusion

Given by vice principal Authimoolam joseph mam:-

The World Cancer Day celebration at Harsh Institute of Nursing was a meaningful and impactful event that reinforced the importance of awareness, early detection, and compassionate care. The event inspired students and faculty to actively participate in cancer awareness campaigns and contribute to the global fight against this disease.
